VAH/S 9500a Art Theory and Criticism in Western Culture *presents*

GREAT DEBATES: The Theory Throwdown

Debate Topics:

Re: Theory (Teams 1 & 3)

Be it resolved that engagement with modern and contemporary ‘theory’ by artists, historians and critics has benefitted the development of art and its discourses.

Re: Art and Education (Teams 2 & 4)

Be it resolved that graduate education in art (practice/theory/history) should be directed towards preparing students equally for roles inside and outside the academy.

Teams:

- #1: Kyla Brown, Diana Yoo, and Stephanie Wittich
- #3: Thea Yabut, Samantha Angove, and Morgan Skinner
- #2: Cierra Webster, Natalie Romano, and Scott Turnbull
- #4: Laura Mitrow, Giles Whittaker, and Morgan Skinner

Structure of the Debates:

There will be two debates based on prepared topics. Both teams will be apprised of their topics in advance, but will be informed as to whether they are debating the affirmative or negative at the time the debate begins. The winning teams from each of the first two debates will debate each other on a topic to be announced at the start of the final debate.

The debates will be judged by a panel of PhD students.

All Welcome!
