Calendar Description

An introduction to print media practices including relief, intaglio, and silkscreen.

Prerequisite Checking:

You are responsible for ensuring that you have successfully completed all course prerequisites and that you have not taken an anti-requisite course. Lack of prerequisites may not be used as basis of appeal. If you are not eligible for a course, you may be removed from it at any time, and you will receive no adjustment to your fees. These decisions cannot be appealed.

The Anti-Requisite for this course is SA 2630B or the Former VAS 2236a/b.

ASSIGNMENTS DUE DATE POLICY:

- Each Assignment is due on the specified due date as posted in the Syllabus.
- Students are expected to complete all assignments on due dates. Failure to complete assignments or present completed work in scheduled critiques without prior consultation with the instructor could result in a failing grade.
- If you need to hand in artwork late, please report a Self-Reported Absence or consult your Academic Counsellor, in your home faculty, to request academic considerations.
- **Late Assignments will be only be accepted accompanied by academic considerations.**
- Students that received Academic Consideration for assignments will contact Prof. Johnson regarding how to submit their assignments.
- Any assignment to be submitted to OWL that has not been uploaded by the timed due date will receive 0 (zero) unless accompanied by academic considerations.
- Ensure you actually submitted your assignment to OWL by clicking on the submit button. Failure to submit on time will result in a failing grade.
- **Prof. Johnson does not accept Assignments for marking by email, attached to a discussion link on our OWL site, such as in VoiceThread, or in any other manner of submission. Such assignments will receive a zero.**

- Any assignment receiving academic considerations, and remains outstanding, is due on the last day of classes of the semester or term. Such assignments not received on the last day of class will be given a mark of 0 (zero).

Course Requirements

- Students are responsible for making themselves aware of all assignments, procedures and due dates. It is the student's complete responsibility to keep informed by referring to the syllabus.
- Students are expected to **clean-up after each work session.**
- **Reckless use of shop equipment as well as disregarding health and safety procedures are grounds for being removed from the class.**
- Demonstrations in Introduction to Print Media can often be hours long and cover 2 full class periods. Demonstrations of such length can never be repeated. Attendance at demonstrations is mandatory in order for every student to understand the procedures of each print practice.
- If you miss a Demonstration, you must meet with the technician, outside of class time, to review specific procedures and health and safety concerns.
- **Students who are in emotional/mental distress should refer to Mental Health @ Western**
<http://www.uwo.ca/uwocom/mentalhealth> for a complete list of options about how to obtain help.
- Students are expected to spend a minimum 1-hour outside of class for every one hour in class towards fulfilling course requirements.
- Students **must** take **detailed notes** during the demonstrations throughout the semester. Printmaking is a very involved process; it cannot be learned intuitively and it is imperative that you take detailed notes to refer to when you are working. As well, you are shown how to properly use the equipment and materials in the demonstration for your own safety as well as to maintain the equipment in the shop. When you have a technical problem, the instructor and the technician will want to refer to your notes as an aspect of assisting you. Not taking notes during a demonstration will negate your ability to ask the technician and instructor for technical assistance.
- To facilitate the demonstrations, there are several videos on our [uwo.ca/visarts](http://www.uwo.ca/visarts) website under Resources > Student Tutorials. These videos are best understood after seeing Jessica's in-person demonstration. They are a good resource to refresh your understanding of the processes before you begin working. They do not replace good notes however.

Anything you can do at home, you will do at home:

- For all three print projects, there are several stages in each project that you will be able to accomplish at home.
 - Linocut Assignment work to do at home:

- Creating Key Drawing
- Left/right reversal and transferring key drawing to Linoleum
- Fully carving the linoleum so it is ready to print
- Etching Assignment work to do at home:
 - Creating Key Drawing
 - Left/right reversal and transferring key drawing to hard ground on etching plate
 - Drawing your full etching image with line so it is ready to etch
- Silkscreen Assignment work to do at home:
 - Creating Key Drawing
 - Drawing finished stencils ready to expose on the photo-emulsion

Print Shop Access

- The Print Shop hours will be posted by Jessica as well as each student signing up for scheduled outside of class time so as not to overwhelm the Print Shop.
- Your use of print shop equipment during scheduled class time will also be scheduled so that we can use the Shop equipment efficiently.

Print Shop Conduct

- Please be respectful of each other in the Print Shop.
- Share the facilities equitably and also support a productive learning and working environment for everyone through your actions and words.
- Everyone who is registered in the course deserves to work in a respectful environment.
- As well, respect other people's time by using the shop, which includes the materials and presses, efficiently.

Cleaning up your mess after you have worked in the Print Shop

- It is not the Professor, Teaching Assistant or Printmaking Technician's job to clean up after you. That is your responsibility.
- Give yourself a minimum 30 minutes time to clean up properly and thoroughly.
- You expect a clean environment when you begin working – make sure you are upholding that by making a clean environment for everyone working in the Print Shop.

Working on your Assignments by yourself

- It is expected that you create all your assignments with your own hands.
- Your boyfriend/girlfriend, classmate, best friend or any other individual **cannot** do the technical work for your assignments.

- Having unauthorized assistance to produce technical results that will be marked could be considered a scholastic offense and will result in a failing technical grade (zero = 0).
- If you need assistance technically, you must consult Tricia, your academic advisor and/or your SSD advisor.

Creating Original Imagery for Assignments

- It is expected that you create your printmaking assignments from original imagery that you have designed/created yourself, whether it is a drawing, a photograph or preliminary sketches in your sketchbook.
- There may be circumstances when you need to use Google Images as visual reference for specific subject matter in your printmaking assignments; please consult me and be ready to provide a reference link.
- Using another artist's artwork and presenting it as your own original work is considered plagiarism as outlined in Departmental and University Policies below and has serious consequences.

ACADEMIC CONSIDERATION:

All assignments in SA 2630A/B need academic consideration if missed.

Students will have up to two (2) opportunities during the regular academic year to use an on-line portal to self-report an absence during the term, provided the following conditions are met: the absence is no more than 48 hours in duration, and the assessment for which consideration is being sought is worth 30% or less of the student's final grade. Students are expected to contact their instructors within 24 hours of the end of the period of the self-reported absence, unless noted on the syllabus. Students are not able to use the self-reporting option in the following circumstances:

- for exams scheduled by the Office of the Registrar (e.g., December and April exams)
- absence of a duration greater than 48 hours,
- assessments worth more than 30% of the student's final grade,
- if a student has already used the self-reporting portal twice during the academic year

If the conditions for a Self-Reported Absence are not met, students will need to provide a Student Medical Certificate if the absence is medical, or provide appropriate documentation if there are compassionate grounds for the absence in question. Students are encouraged to contact their Faculty academic counselling office to obtain more information about the relevant documentation.

Students should also note that individual instructors are not permitted to receive documentation directly from a student, whether in support of an application for consideration on medical grounds, or for other reasons. **All documentation required for**

absences that are not covered by the Self-Reported Absence Policy must be submitted to the Academic Counselling office of a student's Home Faculty.

For Western University policy on Consideration for Student Absence, see

[Policy on Academic Consideration for Student Absences - Undergraduate Students in First Entry Programs](#)

and for the Student Medical Certificate (SMC), see:

http://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf.

Please contact Professor Tricia Johnson after she has approved your academic considerations, in order to receive the new due date.

Outstanding assignments, that have been granted academic consideration, not received on the Final Day of University Classes for the Academic Year, as listed in the Academic Calendar, will be given a mark of 0 (zero).

Religious Accommodation:

Students should consult the University's list of recognized religious holidays, and should give reasonable notice in writing, prior to the holiday, to the Instructor and an Academic Counsellor if their course requirements will be affected by a religious observance.

Additional information is given in the [Western Multicultural Calendar](#).

STUDENT CONDUCT:

All students will conduct themselves in a manner that will be consistent with the maturity and academic integrity expected of university students. Student conduct shall be consistent with the general laws of the community and with University regulations. Students shall show regard and respect for the rights, safety and property of all members of the University community and are expected to act in a responsible manner with the University and the community at large.

https://www.uwo.ca/univsec/pdf/academic_policies/appeals/code_of_conduct.pdf

ATTENDANCE:

Under university regulations, if someone misses more than 15% of their classes (15% is equivalent to missing 8 hours of Lecture and/or Studio Lab, due to absence or lateness, or a combination of both, per semester) without written corroboration for health or bereavement, students can be debarred from participation in final evaluations and/or assignments.

Note that if a student is consistently absent from a 3-hour class for 1 hour, they will exceed the 15% cutoff and be debarred; assignments may stop being accepted and such assignments will receive a mark of 0 (zero).

PLAGARISM:

Plagiarism, which may be defined as “The act or an instance of copying or stealing another’s words or ideas and attributing them as one’s own,” will not be tolerated. (Citation excerpted from Black’s Law Dictionary, 1999, 7th ed., p. 1170). This includes presenting the visual or aural work of another creator as your own. Visual or Aural Plagiarism may involve both hand-based media such as drawing, painting, printmaking and sculpture, as well as digital media such as photography, video and sound. It includes work subsequently manipulated or transferred between different media, as well as self-plagiarism – work submitted for assignments previously produced and graded for another course. Similar to textual plagiarism, all student work involving the visual or aural work of others must be appropriately cited/identified whether in print or orally. Failure to do so will lead to similar academic penalties as those identified in Western’s Academic Calendar.

ACADEMIC SANCTIONS:

In instances of non-payment of prescribed tuition and other fees, the University shall seal the academic record. When an academic record is sealed, the student will not be able to: a) view grades; b) register in future courses; c) receive transcripts or a degree diploma; d) obtain admission or readmission.

The above prohibitions shall be in force until such time as indebtedness to the University, including payment of fee for removal of the seal, has been cleared to the satisfaction of the University.
